POSITION: Industrial / Utility Service Technician, Landscaper, Herbicide Technician

Location: LaVergne, TN

Pay Rate: Salaries start at \$14.00 - \$16.00 per hour and 32,000-\$38,000 per year. Salary negotiable and based on experience.

**We are looking for a long term, permanent person to fill this position.
Salary + Benefits.**

ChemPro Services, Inc. is a privately owned company and a leader in Commercial Vegetation Management and Industrial Landscape Services.

JOB DESCRIPTION & REQUIRMENTS:

- Main duties will include herbicide applications and other methods of vegetation management. Technician will learn a variety of techniques including *chemical* and mechanical methods to manage unwanted or nuisance vegetation. Technician will be responsible for ensuring they are working safely at all times.
- Applicant will travel to service customers in the region, mainly TN, KY, AL, and AR.
- Must be handy with technology and equipment. Willing to learn and study how things work.
- Experience in Industrial setting or with Landscaping/Construction draft is ideal, but not mandatory.
- Applicant should live within an hour of office location or be willing to relocate.
- Applicant will be asked to perform various types of physical labor pertaining to Industrial Vegetation Management, including: mowing grass, spraying weeds, string-trimming, bush-hogging, handling miscellaneous spray equipment, etc.
- Required to document daily activities and report to supervisor.
- Job involves the use of chemicals on a daily basis. Position requires extensive chemical applications and the need to mix chemicals, spray with low and high volume equipment, and rinse and clean application devices. This requires having the ability to learn new skills.
- Applicant will have the opportunity to work in various industrial, rural, & natural areas throughout the region. We work outdoors, year round.
- **Travel required 60% of year in total. Travel will fluctuate through year depending on season and workload. Home most all weekends, but must be willing to travel out of town Monday – Friday. Weekend work may be required with sufficient notice.**

- Work weeks will exceed 50 hours during most busy times of year. Working from dawn until dark on days with cooperating weather may prove to be essential to meet deadlines.

REQUIREMENTS:

- Valid driver's license & good driving record.
- Drug Free, includes pre-employment and random screens.
- Pass background check
- Good communication skills; good physical condition; ability to work with minimal supervision; ability to travel as needed away from home.
- Ability to work an irregular schedule and unpredicted schedule changes.
- Willingness to work in outdoor industrial or natural settings where extreme temperatures and high humidity can present extreme work conditions.
